### What Brenda can do for you

Brenda works with title companies and signing companies to help people through the process of signing the documentation needed to successfully close transactions.

When Brenda meets with your client, she brings nearly two decades of lending experience to the signing table to give you confidence that when your document package comes back to you, you are ready to move forward with closing.

Sacramento-area escrow officers know that when they call on Brenda to do a signing, they can put worry aside with the confidence that they have a true professional on their side.

# About Brenda

Brenda Weiss provides mobile notary services throughout the greater Sacramento area, specializing in commercial and SBA loans. She has performed hundreds of successful loan signings, is certified by the National Notary Association, and is bonded and insured.

With over 20 years of experience on the lending side of commercial loan transactions, Brenda knows her way around loan documentation. She has processed, documented, funded, closed, serviced, and analyzed a myriad of commercial loans – including many SBA 7(a) and 504 loans.

On the residential loan side, she has also guided borrowers from beginning to end of the loan process for mortgage loan and refinance transactions.

Brenda's professional experience extends to the residential real estate, investment, and life insurance industries, giving her familiarity /with the the forms and documentation required in a variety of business situations.
